Vision

A world without poverty & Suffering

Horn of Africa Voluntary Youth Committee (HAVOYOCO) is a regional Non –governmental Organization (NGO) operating in Somaliland and Ethiopia. HAVAYOCO was founded in 1992 and since its inception it has successfully implemented different development projects in Somaliland and Ethiopia. HAVAYOCO was initially set up with the aim of being a volunteer and learning institution and to address the needs of poor communities and marginalized groups in Somaliland.

In Somaliland, education struggles with many circumstances that prevent many children from being educated, such as droughts, education accessibility, social conflicts, poverty, economic inequality, norms and the culture of society.

The number of children in school-age Somaliland is estimated at half a million, while schools attending 34% and 66% are out of school.

HAVOYOCO with partnership save the children and MoES is implementing GPE **System Transformation Grant. Girls Education Accelerator** program in Somaliland regions of (Sahil) and will contribute to the implementation of the basic education response strategy plan

developed by the Somaliland MoES that immediate interventions mitigate and respond to the effects of school closure by ensuring learning continuity. It also supports education systems to fully recover and ensure continued quality learning and sustained interventions with long-term potential with the key project outcomes indicators:

Therefore, HAVOYOCO is inviting Somaliland registered contractors to participate in these flowing Tender.
