Scale

Please note the following technical specifications regarding the submitted 2D drawings:

- **Scale:** The drawings were not exported at a fixed scale ratio; instead, two separate blocks have been placed on a single sheet to ensure proper fit.
- **Dimensions:** For accuracy, please rely on the explicit dimensions labeled on each individual drawing rather than scaling the prints.
- **Wall Construction:** All wall thicknesses, inclusive of finishing materials, are standardized at **0.2m (200mm)**.
