

## Government of Somaliland

### Ministry of Agriculture Development (MoAD)

### Food Systems Resilience Project (FSRP) – P177816

#### **SUBJECT: CALL FOR PRE-QUALIFICATION OF POTENTIAL SUPPLIERS, CONTRACTORS AND CONSULTING FIRMS FOR SOMALILAND FSRP PROJECT (2026- 2027)**

**Country:** Government of Somaliland

**Project ID No:** P177816

**Name of Project:** Food Systems Resilience Program for Eastern and Southern Africa (Phase 3) FSRP

**Activity Name:** Call for pre-qualification of potential suppliers, contractors and consulting firms for Somaliland FSRP project (2026- 2027)

**Individual/firm:** Firm

**Duty Station:** Hargeisa

**Deadline:** 20 February 2026

**Ref Number:** MOAD-SL FSRP-002-OP-PS

#### **1) Project Background**

**Somaliland Food Systems Resilience Project (SL-FSRP)** is part of a regional initiative by the World Bank to provide a comprehensive framework for intervention at both the national and regional levels. This Multi-phase Programmatic Approach (MPA) aims to tackle the underlying structural challenges of food insecurity and reduce beneficiaries' vulnerability to unpredictable climate, crisis, and conflict events

The Project Development Objective (PDO) of the project is 'to increase the resilience of food systems and the Somaliland's preparedness for food insecurity in project target areas. The project has six components namely: Component 1: (Re-)Building Resilient Agricultural Production Capacity; Component 2: Supporting the Sustainable Development of Natural Resources for Resilient Agricultural Landscapes; Component 3: Getting to Market; Component 4: Promoting a Greater Focus on Food Systems Resilience in National and Regional Policymaking; Component 5: Contingent Emergency Response Component; Component 6: Project Coordination and Management.

The Somaliland FSRP will directly benefit an estimated 65,000 of small farmers, agro-pastoralists, and nomadic pastoralists, at least 30 percent of which will be women. In addition, the project will support value chain stakeholders including women-owned agribusiness enterprises, financial services providers, disruptive Agriculture Technology start-ups, agricultural research and extension institutions. Within the public sector, the project will also build the capacity of Ministry of Agriculture Development, Ministry of Livestock and Rural Development and Ministry of

Environment and Climate Change, and other institutions to implement resilience- focused policies.

Hence, the Ministry of Agricultural Development under the FSRP project is inviting qualified and reputable suppliers, contractors, and consulting firms to participate in the 2026–2027 pre-qualification process. Pre-qualified firms will form a pre-qualified pool of service providers/suppliers who may be engaged for Direct Selection, Limited Competition, or RFQ opportunities in line with World Bank Procurement Regulations September 2023. Activities requiring open competition (e.g., RFB, RFP, Individual Consultants) will continue to be publicly advertised, regardless of pre-qualification status, and may also be advertised where no suitable pre-qualified firms exist. Interested bidders are required to complete the online form and submit all required documents before the deadline to be considered for upcoming procurement opportunities.

## 2) Scope of Pre-Qualification Categories

Please complete the supplier pre-qualification process by filling out the online registration form and uploading all required documents. All submissions must be completed before the stated deadline. Late submissions will not be considered.

Please note that this pre-qualification process is not intended to limit or replace open procurement methods under the World Bank Procurement Regulations. It shall apply only to limited procurement methods and Requests for Quotations (RFQs). All open procurement activities—including but not limited to Requests for Bids (RFBs), Requests for Proposals (RFPs), and Individual Consultant selections—will always be advertised publicly, regardless of the existence of this pre-qualification database.

Furthermore, the Client reserves the right, at its sole discretion, to engage suppliers that are not pre-qualified and/or to advertise RFQs or use limited procurement methods openly, where no suitable or qualified suppliers are available in the pre-qualification database, or where this is deemed necessary to ensure competition, value for money, and timely implementation.

The Project is particularly interested in these areas.

1. **Agriculture Development** (e.g. supply of agricultural inputs (seeds, fertilizers, tools), irrigation systems and water-efficient technologies, crop production support services, agricultural research and extension services, greenhouse and climate-smart farming technologies)
2. **Livestock & Veterinary Services** (e.g. livestock inputs and animal health supplies, veterinary laboratory equipment and reagents, animal disease surveillance and diagnostics, livestock value chain development (fodder, feed systems, breeding) or pastoralist support services)

3. **Water Infrastructure & Resource Management** (e.g. water harvesting structures (dams, berkads, hafirs), irrigation canal construction and rehabilitation, rural water supply systems and distribution networks or water engineering consulting and backstopping)
4. **Rangeland, Forestry & Environment** (e.g. rangeland restoration and rehabilitation, sustainable land management, forestry and watershed protection, environmental conservation and climate resilience services or support to Rangeland & Forest Associations (RFAs))
5. **Community Development & Engagement** (community facilitation and mobilization, community investment planning support, social development and participation services, gender and youth inclusion activities)
6. **Digital Agriculture & Data Systems** (e.g. farmer registry systems, ICT equipment , and software solutions, GIS, mapping, drone services, Digital extension tools and mobile applications)
7. **Monitoring, Evaluation & Learning** (e.g. baseline, midline, and endline surveys, data collection and analysis, m&e system development or knowledge management and reporting)
8. **Capacity Building & Training** (e.g. technical training for ministries (MoAD, MoLRD, MoECC), Laboratory technicians training, community-level trainings (rangeland, water, livestock, agriculture), TOT development)
9. **Construction & Civil Works** (e.g. small-scale community infrastructure works, rehabilitation of agricultural and livestock facilities, construction of water and rangeland structures, solar installations and energy systems, office constructions etc)
10. **Operational Support** (e.g. supply of office equipment and furniture, transport and logistics services including air tickets, motor spare parts, garage services, internet services, translation services, media, catering event management, stationery, and printing services)

### 3) Instructions to bidders

1. All submission should be English except legal documents issued in other languages
2. Submission of more than one application by the same bidder is not allowed
3. Bidders may apply for more than one category, but must demonstrate the required capacity, business license and experience for each category selected.
4. All legal documents must be valid at the time of submission. Expired documents will lead to automatic disqualification.
5. This call is NOT for individual consultants
6. Submit your application through the online registration form provided in the announcement. Applications sent by email or delivered physically will not be accepted
7. Ensure that all information provided is true, complete, and verifiable. False or inaccurate information may result in disqualification.
8. All documents should be submitted in PDF or word document

9. Joint ventures (JVs) are permitted. In such cases, each JV partner must submit their own legal documents (license, registration, TIN, etc.). A signed JV Agreement or Letter of Intent (LoI) must also be provided. The lead partner must be clearly identified.
10. All bidders must comply with World Bank procurement regulations and anti-fraud and anti-corruption guidelines
11. Only pre-qualified suppliers (Database of suppliers) will be contacted for future procurement opportunities. Both pre-qualified and non-prequalified bidders will be notified of the outcome of their application. **Pre-qualification does not guarantee contract award.**
12. Firms or individuals currently debarred, suspended, or sanctioned by the **World Bank** are not eligible to participate in this pre-qualification process.

#### 4) Clarification meeting/office visit

If a prospective bidder wishes clarification on a certain aspect of the pre-qualification process, they can contact the following email address ([procurement@sl-fsrp.org](mailto:procurement@sl-fsrp.org)) or visit the project office at this address; behind Assod Hotel, Sha'ab Area, Hargeisa, Somaliland.

Clarification Deadline: All requests for clarification must be submitted no later than five (5) days before the application deadline.

Office Hours: The project office is open for inquiries from Saturday to Thursday, 8:00 AM – 3:00 PM (excluding public holidays).

#### 5) Data protection

The Ministry of Agriculture Development, under the FSRP Project, ensures that all procurement activities are fully, accurately, and transparently documented for internal review and audit requirements. The Ministry also upholds strict confidentiality of all procurement processes and documents submitted by bidders.

All information and documents will be treated as **confidential** and will not be disclosed to any third party, except to authorized auditors and the World Bank for purposes related to verification, due diligence, or audit, in accordance with applicable data-protection and procurement regulations.

## 6) Online Application Forms

### Section 1: Bidder's Information

Field Description	Data sheet/data type
1.1 Bidder's Name:	text
1.2 Business Registration No.:	String
1.3 Business License	Attach document
1.4 Tax Identification Number (TIN)	String
1.5 Country of Registration:	text
1.6 Registration Date:	Date (dd/mm/yyyy)
1.7 City/town:	text
1.8 Business Address (Main office):	String
1.9 Contact Person Name:	text
1.10 Telephone Number:	Integer only
1.11 Email Address:	string
1.12 Company website (optional)	String
1.13 Business Type	1) Company 2) Consulting Firm 3) NGO/Non-profit 4) Others (Specify)
1.14 Others	Text

### Section 2: Pre-qualification Category

Field Description	Datasheet
2.1 Type of Services / Supplies you wish to be pre-qualified for – multi-choice (tick all that apply)	1) Supply of goods 2) Civil Works/Construction 3) Consulting Services 4) Non-consulting Services 5) Others (specify)

2.2 Please describe your core business as selected in in 2.1 (e.g., supply of goods; we supply office furniture and ICT equipment)	String; max (2000 characteristics with space)
--	---

### Section 3: Technical and financial capacity

Description	Datasheet
Company Brochure/Profile	Attach file (max size 20mp)
List of relevant past contracts/clients (last 3 years) – include the name and contact address of the Client (office and e-mail address and telephone number), date(s) of execution, name (s) of lead and associate firms, contract amount and financing sources.	Attach file, required
Technical and managerial organization of the firm: - Provide only the structure of the organization. (Do not provide CVs of staff)	Attach file, (required for consulting services only)
Geographic experience (List areas—names of cities or regions where your business operates)	Text
Average Delivery Time	For supply of goods only  (write in days)
Bank statement from a recognized financial institution in the last 12 months	Attach file

### Declarations

1. Conflict of Interest:  No known conflicts  Possible conflict (Details Attached)

2. Accuracy of Information:  I/we confirm the accuracy of the above information

Name: \_\_\_\_\_ Position: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_ / \_\_\_ / \_\_\_\_\_
