I. Background

World Vision Somaliland regional office is implementing BHA program an integrated multi-sector program funded by USAID which include the following sectors: Health and Nutrition, Water and Sanitation and Food Assistance.

World vision is seeking for qualified technician and his team who will conduct the installation of solar street lighting in target allocated areas:

No	District	Name of the sites	# allocated solar lighting	Activity
1	Burao	Mandheera IDP	6	Conducting installation of solar street lighting.
2	Burao	Alla-amin IDP	2	
3	Odweyne	Khaatumo IDP	2	
# of solar lighting			10	

World Vision is therefore seeking to engage technical person and his team of electrical engineer, masonry and helpers to conduct installation of solar lightings exercises in the above site names.

Purpose of the Technician.

The overall purpose of the seeking technician is to conduct implementation of installation of street solar lightings in proper manner to use and lighting the streets in the IDPs of Mandheera, Alla-amin and Mandheera.

Duties and Responsibilities

The Technical person and his team will work closely with the WV staff for the installation of solar lightings to reduce risk of darkness.

Time frame and payment:

- The monitoring exercise is expected to last for six days.
- Two days of them will be travelling days.

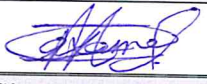

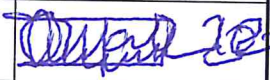

The report shall comprise

- Introduction
- Installation process and functionality confirmation.
- Problems and challenged arising during installation.
- Conclusion
- Annex (photos)

Compensation by World Vision

World Vision will pay the money he/she will be quoted:

The money will be process and paid directly to the technician account after completed the installation and confirmed the WV team.
