Additional comments to bidders:						Company Name:																							
<p>*Special Terms and Conditions:</p> <ul style="list-style-type: none"> - The suppliers are responsible for providing the sheep and goats to submit at least one verifiable reference demonstrating their track record of supplying healthy and productive livestock. - Goats and Sheep must be from areas in Bahdo, Marsamege or any area nearby. - Before delivery, the supplier farms or their agents are required to furnish documentation confirming the parentage, health status, and compliance with mandatory vaccination standards. - Goats and Sheep should not be procured from areas known to be experiencing current outbreaks. - It is imperative for the DRC to ensure that the physical well-being of animals in the herd or flock is satisfactory at the supplier farms, that proper records are maintained, and that the facilities adhere to sanitary standards. - When goats and sheep are to be transported from the supplier farm to the distribution point, they must be transported in a safe and humane manner, using well-ventilated vehicles, to ensure their arrival at distribution points in good physical condition and without bodily harm. For journeys covering long distances, scheduled rest stops every 8 to 12 hours are necessary to allow the animals to disembark, rest, and receive nourishment and water. - Required Vaccines for the goats and sheep: <table border="1"> <thead> <tr> <th>#</th> <th>NAMES OF DISEASES</th> <th>NAMES OF VACCINES</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Foot and Mouth Disease Virus FMD</td> <td>Aftovaxpur/ Aftovax/ Foot fax or FMD Vaccine</td> </tr> <tr> <td>2</td> <td>Contagious canine pleuropneumonia (CCPP)</td> <td>CCPP VACCINE</td> </tr> <tr> <td>3</td> <td>Poste des petits Rumina PPR</td> <td>Capripox vaccine / SGPV (Sheep and Goat box vaccine)</td> </tr> <tr> <td>4</td> <td>Sheep and Goat Box Virus</td> <td>Capripox vaccine / SGPV (Sheep and Goat box vaccine)</td> </tr> <tr> <td>5</td> <td>Anthrax</td> <td>Anthrax Spore Vaccine (Sterne strain) / BioThrax/ Sterne Vaccine</td> </tr> </tbody> </table>						#	NAMES OF DISEASES	NAMES OF VACCINES	1	Foot and Mouth Disease Virus FMD	Aftovaxpur/ Aftovax/ Foot fax or FMD Vaccine	2	Contagious canine pleuropneumonia (CCPP)	CCPP VACCINE	3	Poste des petits Rumina PPR	Capripox vaccine / SGPV (Sheep and Goat box vaccine)	4	Sheep and Goat Box Virus	Capripox vaccine / SGPV (Sheep and Goat box vaccine)	5	Anthrax	Anthrax Spore Vaccine (Sterne strain) / BioThrax/ Sterne Vaccine	Contact Person:
