1. Background

Centre for Research and integrated Development (CeRID) is a non-governmental organization and an agent of change for peaceful and self-reliant communities founded in 2005. Our approach is grounded in the Theory of Change (ToC), enabling us to identify the desired outcomes and transformative changes that will strengthen CeRID in terms of institutional sustainability, strong partnership with both our target communities and our partners to tackle the root causes of poverty and vulnerability.

Our Strategic Focus Are these five Areas (SFAs):

- (1) Climate Change Adaptation**
- (2) Knowledge and Skill Development**
- (3) Humanitarian, Development & Peace Nexus (HDPN)**
- (4) Partnership & Collaboration**
- (5) Organizational Capacity Development (OCD)**

2. Scope of work
